

*Marine Matters Curriculum 1*

**Lesson 3 Getting Food**

**Worksheet 1 – Restaurant Beneath The Waves**

How do these marine creatures get their food?

Fill in the boxes beside the creature name with one of the following feeding methods.

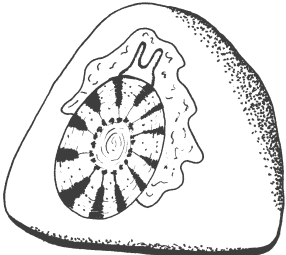

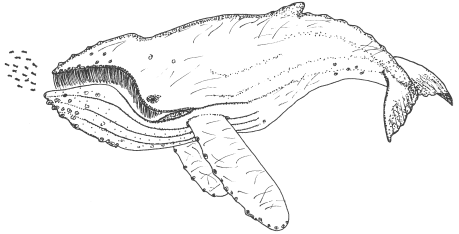

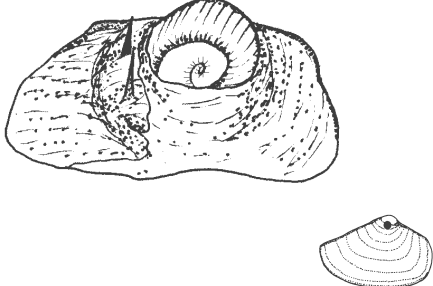

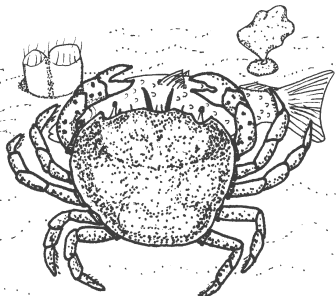

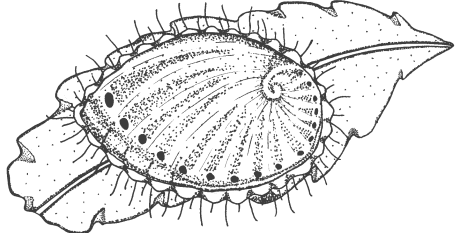

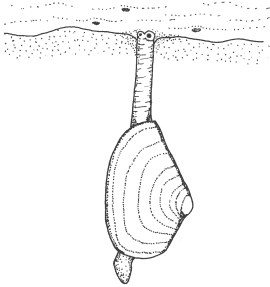

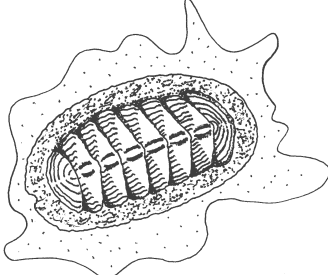

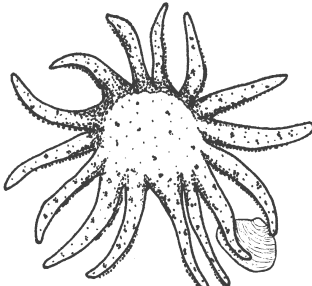

Some animals may use more than one feeding method:

**P** for predator (captures other animals)

**S** for scavenger (eats dead or dying animals)

**G** for grazer (eats seaweed, sea grasses and diatoms)

**F** for filter feeder (filters particles such as plankton from the water)

<p>Limpet <input type="checkbox"/></p> 	<p>Barnacle <input type="checkbox"/></p> 	<p>Baleen Whale <input type="checkbox"/></p> 
<p>Moonsnail <input type="checkbox"/></p> 	<p>Crab <input type="checkbox"/></p> 	<p>Abalone <input type="checkbox"/></p> 
<p>Clam <input type="checkbox"/></p> 	<p>Chiton <input type="checkbox"/></p> 	<p>Sunflower Star <input type="checkbox"/></p> 

*Marine Matters Curriculum 1*  
**Lesson 3 Getting Food**  
**Worksheet 2 – Feeding Types**

List or draw some marine creatures that use each feeding method.  
Are there creatures that can fit into more than one of the boxes?

**PREDATORS**

**SCAVENGERS**

**GRAZERS**

**FILTER FEEDERS**
